Day: FRIDAY

Date: May 10, 2024

Time: 1:00 p.m.

Location: Investigations - Security West - 1 N Buchanan St, Gary, IN 46402 -- Truck Stop 705

You MUST present your Employee ID Badge at your registered test session. No notes or electronic devices will be allowed in the room, including - but not limited to - cell phones, smart watches, or any other electronic devices.

You MUST enter a valid email address and phone number when signing up. You will receive a bid confirmation number and email after placing your bid. You MUST rank your test time/dates for preference. Rankings will be honored to the best of our ability. If your preferred session is full, you will be assigned to your next highest ranked session with available space. Failure to rank your session preference will result in the Company choosing which date/time you are assigned from your multiple bids. Seating is limited to 18 total (Electrical, Mechanical, and Systems Repair combined) per test session. **No make-up test sessions will be offered in this testing period. The next testing period will be in the Fall.

ELIGIBILITY TO RETEST after a previous non-passing score (including 10-point scores): You MUST provide a valid CERTIFICATE of completion of relevant remedial training no later than the day before your test session. Documentation should be emailed to LAGaskins@USS.com. If you have previously taken the same test three times with a less than passing score, you are not eligible to take that test again.

If you are currently in a Maintenance Learner program or have previously graduated from either Learner program, you are not eligible to take this test.

HOW TO BID ON A TEST SESSION VIA SMART PHONE OR COMPUTER: Go to my.uss.com, click on Union Job Posting in the Career tile - OR - go to any USS kiosk. Choose "Gary Sign-Ups" for the Plant. You MUST have your badge to bid at a kiosk. Before the first test session, you will receive an "award" notice by email confirming which test session you've been assigned to. IF YOU DO NOT RECEIVE AN AWARD EMAIL, YOU HAVE NOT BEEN REGISTERED FOR A TEST SESSION. If you have questions regarding the test sign-up process, please contact Laura Gaskins at LAGaskins@uss.com or 219-888-4425.
